

Exceptional Child (Online)

Master of Arts (MA)

The Master of Arts in Exceptional Child Education at Southeast Missouri State University is an online graduate degree that offers three emphasis areas: Mild/Moderate Cross-Categorical, Autism, and Early Childhood Special Education. This program is designed to support general classroom teachers in their work with students with special needs in their classroom, help special education teachers deepen their teaching skills and knowledge in their field of expertise, or offer additional teaching certification. This graduate program does not lead to an initial teaching certificate but does offer an add-on MO teaching certificate in Early Childhood Special Education. The graduate program in Exceptional Child Education has 30 credit hours of online course work, making the program convenient for busy classroom teachers.

Southeast Missouri State University is consistently recognized for academic excellence by the U.S. News & World Report Best Colleges Rankings for institutions in the Midwest and is fully accredited by the North Central Association of Colleges and Schools and the National Council for the Accreditation of Teacher Education. In addition, the College of Education, Health and Human Studies has received national recognition for excellence from the National Association for the Education of Young Children (NAEYC), Council for Exceptional Children (CEC), & Association for Childhood Education International (ACEI). This recognition highlights the College of Education's commitment of providing education of the highest quality and standards to students.

Graduate education at Southeast is guaranteed quality at an affordable price. Southeast offers competitive tuition rates for graduate students, compared to other online graduate programs.

Becoming Career Ready...

/Students choose an emphasis area of study that meets their career interests and needs.

/Students get personal attention from a faculty advisor with expertise in their area of study.

/Students complete course work online and on their own schedule.

/Students complete research relating to issues in their own teaching.

/Students have the opportunity to earn additional Southeast certificates in Autism Spectrum Disorder or MO teaching certificate in Early Childhood Special Education.

Career Planning

Graduates of this program may find new teaching opportunities with the increased expertise or certification. Teachers with this master's degree are often considered leaders in their school setting and may also become curriculum specialists or team leaders.

Internship and Employment Opportunities of Recent Graduates/ Graduate Schools and Programs of Recent Graduates

- Autism Consultant
 - Perry County School District
- Early Childhood Functional Skills Teacher
 - Raytown School District, Kansas City
- Camp Connect Director (inclusive summer camp)
 - Southeast Autism Center

Admission Requirements

1. Undergraduate grade point average of 2.75 on a 4.0 scale
2. The applicant must have a valid classroom teaching certificate OR a qualifying score on the state content exam appropriate for that certificate OR be in the 50th percentile verbal and analytic components of the Graduate Record Examination (GRE)

Note: This program does not lead to initial teacher licensure.

The program admission process must be completed within one calendar year. Failure to do so will result in reclassification as a non-degree student. Reinstatement to degree-seeking status will require a new application for admission. Courses taken prior to full admission will not necessarily be accepted toward meeting degree requirements.
